

Muhammet İhsan Karaosmanoğlu

Born in Ankara in 1994, he completed his primary and secondary education in Kocaeli and attended Kocaeli Anatolian High School from 2008 to 2012. He graduated from Kocaeli University's Department of Civil Engineering from 2012 to 2017. Between 2017 and 2018, he worked as a Construction Site Manager at a private company. In 2018, he began flight training as a Jet Pilot Candidate within the Air Force Command. After his first flight experience in 2020, he left the training and continued his career as an engineer at various bases.

He completed the coursework portion of Istanbul University's Business Management and Organization master's program in Aviation Psychology between 2021 and 2022. He has been pursuing his master's degree in Aviation Psychology at Istanbul University since 2023.

He began his pilot training at the Atlantic Flight School in 2025 and currently serves as an engineer at the Air Force Command.
