

İSMAİL COŞDU

Born in Konya in 1994, İSMAİL COŞDU completed his high school education at TED College and then earned a bachelor's degree in International Relations at Yeditepe University from 2014 to 2019. Following graduation, he gained experience in the business world by working in planning and management positions at large companies. Throughout his corporate career, he received coaching training, focusing on team communication and personal development. He completed his MBA at Yıldız Technical University in 2023. He is currently pursuing a master's degree in Industrial Engineering at the same university and is continuing his pilot training, which he began at AFA in 2024.
